Code for Walks

(A rough guide only)

- * Field paths, country lanes, no hills
- ** Undulating and/or greater distance
- *** above plus some steep ascents/descents
- **** As above plus rocks, moor and/or forest

GENERAL INFORMATION

The distances quoted are as accurate as the leaders can establish but circumstances encountered during a walk, which may be beyond their control, could cause a variation in the mileage. The severity of a walk is very subjective but if you have any doubt please contact the walk leader.

Any walk may be changed from that advertised in the programme depending on weather and road conditions. **It is the responsibility of individuals to ensure that they are fit and properly equipped to participate in the walks.**

Packed lunches should be brought on all walks

It is requested that dogs are not brought on the walks.

The relevant OS map and grid reference for the start of each walk is quoted.

The start time for HDWC 'long' walks is 10.00am, and for 'short' walks is 10.30am.

Meet times at Hornsea (Mereside) and/or Leven (Sport Hall Car Park) are for arranging transport.

Please advise the walk leader if you intend making your own way to the walk.

Allow ample time for the journey and aim to arrive 15mins before the walk start.
